

Pay to Participate FALL 2023

Vandalia-Butler City Schools offers world-class academics and extracurricular for students. Pay-to-participate fees assist in offsetting the costs of these extracurricular programs. An extracurricular activity is any activity that meets before or after school and is not directly linked to the school curriculum.

Special Items of Note

***All participants/athletes must make full payment of academic fees as well as pay to participate fees due by the below dates to participate in any practice, game or event.

Additional fees may be associated with an activity. Check with the advisor or coach regarding these additional costs.

The extent of participation is not determined by payment of the fee. Payment of the fee does not secure a particular role in the extra-curricular activity.

If you wish to pay by check or cash (Please bring payment in a sealed envelope to the front office at Morton or Butler High School) Checks can be made out to Morton Middle School. If you drop off at the high school, make check out to Butler High School. Submission of payment is an acknowledgement that parent and student athlete have reviewed the "Pay to Participate Program" and understand that the fee does not guarantee playing time, control over any conditions of the team, and is **not refundable**.
